PRELICENSURE CONSENT ORDER

WHEREAS, Sandra R. Jacobus of Canton, Connecticut (hereinafter "respondent") has applied for licensure to practice as a speech pathologist by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 399 of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent agrees that:

1. The Department has at no time issued respondent a license to practice the occupation of speech pathology under the General Statutes of Connecticut, Chapter 399.
2. From September 2, 1980 until present, she has engaged in the practice of speech pathology without a Connecticut license.
3. The conduct described above constitutes grounds for the denial of respondent's application for licensure pursuant to §19a-14 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §19a-14 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives the right to a hearing on the merits of her application for licensure.
2. After satisfying the requirements for licensure as a speech pathologist as set forth in Chapter 399 of the General Statutes of Connecticut, respondent's license to practice as speech pathologist will be issued.

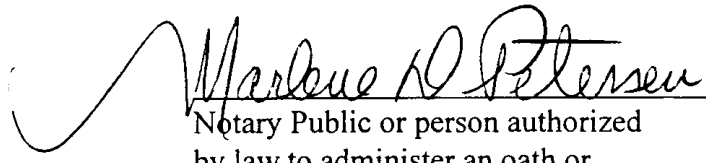

3. Respondent shall pay a civil penalty of four thousand one hundred dollars (\$4100.00) by certified or cashier's check payable to the "Treasurer of the State of Connecticut." The check shall reference the Petition Number on its face. Said civil penalty shall be payable at the time respondent submits this executed Prelicensure Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to her license.
5. Respondent shall notify the Department of any change in her home and/or business address within fifteen (15) days of such change.
6. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.
7. Respondent understands that this Prelicensure Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Connecticut Department of Public Health in which (1) her compliance with this Prelicensure Consent Order is at issue, or (2) her compliance with §20-414 of the Connecticut General Statutes, as amended, is at issue.
8. This Prelicensure Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Prelicensure Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that she may have under the laws of the State of Connecticut or of the United States.

9. This Prelicensure Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
10. This Prelicensure Consent Order is effective when accepted and approved by a duly appointed agent of the Department.
11. Respondent understands this Prelicensure Consent Order is a matter of public record.
12. Respondent understands she has the right to consult with an attorney prior to signing this Prelicensure Consent Order.

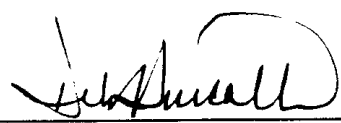

I, Sandra R. Jacobus have read the above Prelicensure Consent Order, and I agree to the terms and allegations set forth therein. I further declare the execution of this Prelicensure Consent Order to be my free act and deed.
